

Fall 2020 Courses at Benner's Farm

Weekday Farm Courses

These popular four-session early and late spring programs meet for one hour per week.

Mommy and Me Our popular program for two and three year olds in which parent (or care giver) and child explore their senses as they learn about the farm by seeing, touching, smelling, hearing, and even tasting. A snack, a song, and an activity complete the fun of each session.

Farm Fun is for young farmers aged four to six. Meet and learn about a new animal each session. Learn about spring on the farm by growing plants, and holding and feeding farm babies.

Down on the Farm Boys and girls seven on up learn about farm life through hands-on experience with animals, gardens, and chores. This spring we will study baby animals, incubate and hatch eggs, plant seeds, and grow food. This active hour reinforces responsibility and group cooperation.

*Each course meets for 4 weekly sessions, \$75
See below for Cancellation Policies*

Saturday Morning Workshops for Kids

Build a Birdhouse/Feeder 09/05/20 10am to 12pm
Our feathered friends need our help! As we head into fall, our backyard friends need a home for the cold winter months. Join us as we explore the farm to find materials to help build our new friends some new homes. We will learn about our backyard birds and how they prepare for winter.

Fairy Garden 09/12/20 10am to 12pm
One of our *most popular* kids workshops! Spaces fill up quickly! Build your own fairy garden. Take a tour around the farm to find all the natural materials. Come find some plants, flowers, dirt, stones, moss and more! Fairies and gnomes and more!

Scarecrow Workshop 09/19/20 10am to 12pm
Learn about these garden guardians by bringing used clothing and decorating one of your own. We will all help make a scarecrow from the farm. Children will leave with a child-sized scarecrow of their own. Please bring clothing size (small 4-6 to Medium 6-8) to the workshop with a parent.

Colonial Crafts 09/26/20 10am to 12pm
Go back in time to learn about the colonial era. We will learn how to build toys from this past time, and do some fun crafts too without a TV!

Apple Fun 10/03/20 10am to 12pm
Johnny Appleseed's wonderful fruit! Squeezed, cooked, dried and baked apples are delicious and FUN! Children will leave with a variety of apple goodies.

Weed/Feed and Harvest 10/10/20 10am to 12pm
What to harvest for the fall season? Join us in the fall garden and help us get ready for the winter months! There will be activities, a farm tour, tractor rides, hiking, and working in the gardens on the farm. The children will be able to "weed" the farmland, and give "feed" to the farm animals. Children will help harvest our farm gardens too!

Pumpkin Fun 10/17/20 10am to 12pm
Try some pumpkins practically every way. Decorate them, eat them, play pumpkin games and help carve them. Children will leave with a decorated pumpkin.

Pumpkin Carving 10/24/20 10am to 12pm
Pumpkin Carving on the farm this fall. Come join us for a fun-filled workshop with pumpkin carving and decorations. We will learn how to carve and showcase our carving talents. We will learn about these fall fruits and even take a tour of the farm with tractor ride!
