

Spring 2020 Courses at Benner's Farm

Weekday Farm Courses

These popular four-session early and late spring programs meet for one hour per week.

Mommy and Me Our popular program for two and three year olds in which parent (or care giver) and child explore their senses as they learn about the farm by seeing, touching, smelling, hearing, and even tasting. A snack, a song, and an activity complete the fun of each session.

Farm Fun is for young farmers aged four to six. Meet and learn about a new animal each session. Learn about spring on the farm by growing plants, and holding and feeding farm babies.

Down on the Farm Boys and girls seven on up learn about farm life through hands-on experience with animals, gardens, and chores. This spring we will study baby animals, incubate and hatch eggs, plant seeds, and grow food. This active hour reinforces responsibility and group cooperation.

*Each course meets for 4 weekly sessions, \$65
See below for Cancellation Policies*
