

Fall 2019 Courses at Benner's Farm

Weekday Farm Courses

These popular four session fall programs meet for one hour per week. \$65

Mommy and Me Our popular program for two and three year olds in which parent (or care giver) and child explore their senses as they learn about the farm by seeing, touching, smelling, hearing, and even tasting. A snack, a song, and an activity complete the fun of each session.

Farm Fun is for young farmers aged four to six. Meet and learn about a new animal each session. Children

will learn about the harvest and preparing for winter on the farm.

Down on the Farm Boys and girls seven on up learn about farm life through hands-on experience with animals, gardens, and chores. We will learn about the fall garden, the harvest and preservation of foods. This active hour reinforces responsibility and group cooperation.
